How would you describe your daughter's/son's Christian commitment?

Statement of Purpose: *Why do you want your daughter/son to attend Patten Academy of Christian Education?*

Statement of Agreement

Believing that the home and school should be in harmony, we ask you to become familiar with PACE’s statement of philosophy:

Our philosophy is based on the conviction that a knowledge of the Bible and a personal relationship with Jesus Christ are essential to the full spiritual, academic, and social development of the individual. The total process of education at Patten Academy of Christian Education seeks to establish the student in her/his position in Christ by developing and relating the person to God in all facets of life.

Our philosophy recognizes a covenantal relationship which God has established with believers and their children. In view of this relationship, Patten Academy of Christian Education affirms that Christian education is primarily the parent’s responsibility. Our school functions as an extension of the home to assist parents in educating their God-given children and to promote the proper relationship between family, church, and the educational process.

The following are expectations that Patten Academy has of its families:

- ♦ To work together with the school to provide Christian nurturing, to work with the school in maintaining Christian standards, policies of discipline and attendance (school and church), uniform, and all other policies and procedures as stated in the Parent-Student Handbook.
- ♦ To actively support the school in prayer and by being involved in school activities and functions; and
- ♦ To faithfully meet financial obligations.

By signing this application, I indicate agreement with the Patten Academy’s statement of purpose and stated parental responsibilities to the school. I pledge to fulfill the expectations the school has for its families and to support the school board, administration and faculty in implementing its philosophy of education.

Signatures of both parents (Guardians):

_____ Date: ___ / ___ / ___
